

Dear TC,

The AAMUWP is pleased to announce our Summer Invitational Institute 2006. The Summer Institute will be held June 5-30, 2006. As always we would like to begin the summer with outstanding model demonstrations for our new participants. We are implementing a new plan to invite TC's to submit a proposal to do those demonstrations. We need 2-3 demonstrations and will be offering a stipend of \$100.00 for demonstrations utilized. These model demonstrations should be 90 minutes in length and will be presented during the first days of the institute. Please keep in mind that great demonstrations have a solid pedagogical basis: published research and/or recurring, successful classroom practice. Writing Project demonstrations must also include a writing component.

In the past you have done excellent work for the site, and we look forward to hearing from you soon.

Sincerely,
Kathy Barclift
