ALABAMA STATE HOUSE
MONTGOMERY, ALABAMA 36130-4600

3 December 2010

William H. Johnston, Jr
Chairman, Board of Directors
Huntsville – Madison County Airport Authority
1000 Glenn Hearn Blvd – Box 20008
Huntsville, AL 35824

Dear Mr. Johnston

I recently received the complimentary parking pass #0068 enclosed. I truly appreciate this gesture but am returning the pass as I have made it a point not to accept items of value as an elected official that are not similarly made available to the general public.

Please pass along to the Authority Board of Directors my sincere thank you for the congratulatory letter. I look forward to a briefing and tour of the facilities in the near future. This will help me better understand my role in assisting the Board to support the many areas of operations that The Port of Huntsville provides to the Tennessee Valley Region.

On behalf of the Board of Directors and staff of the Port of Huntsville, we would like to take this opportunity to congratulate you on your recent election as a member of the Alabama Legislature representing Senate District 2.

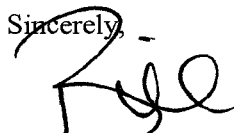

The Port of Huntsville is a unique transportation resource for the Tennessee Valley Region and we are excited about having you as a partner in our operations. We feel that it is important for you to be informed about the many activities taking place at the Port of Huntsville that affect the Tennessee Valley and its' residents. The facilities and services encompassed within the Port of Huntsville including Huntsville International Airport, Jetplex Industrial Park and the International Intermodal Center have a tremendous impact on our region in areas like economic development, employment and infrastructure, just to name a few. That is why we would like to offer you the opportunity to learn more about the Port of Huntsville and its' resources as described in the enclosed package of information.

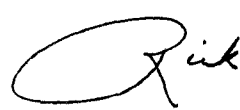

We would like to invite you for a personal briefing and tour of our facilities at your convenience. To schedule your briefing and tour, contact Annette Hall at (256) 258-1955. She will be happy to arrange a date and time that best meets your schedule. We hope you will take advantage of this opportunity so that we may work more closely together in the future.

We offer the privilege of complimentary parking to the attached list, at Huntsville International Airport. Enclosed you will find your parking pass #0068 that will allow you access in and out of the parking deck. Your card can activate the gates to the economy, deck and hourly parking lots. The card should be inserted into the entrance ticket dispenser to gain parking access. At the exit plaza you have the choice to insert your card in the ticket machine in the "credit card only" lane or give it to an attendant for validation.

Again, congratulations and we look forward to working with you to improve the quality of life and competitiveness of our community.

Sincerely,

William H. Johnston, Jr.,
Chairman
Board of Directors

Richard Tucker,
Executive Director
