Huntsville AL 35806

Dear Ms. Steigerwald,

I recently received the complimentary family membership cards enclosed. I truly appreciate this gesture but am returning the cards as I have made it a point not to accept items of value as an elected official that are not similarly made available to the general public.

The complimentary ticket for the Galaxy of Lights that I received has been donated to a family in need that might not otherwise be able to enjoy this wonderful, annual event.

Thank you for the congratulatory letter and I look forward to supporting the many outstanding venues enjoyed by our residents across the Tennessee Valley Region like the Huntsville Botanical Garden.
